

During this term, the children will be developing their personality, self-confidence and self-esteem through Dance. This area of physical activity offers the children the opportunity to convey moods and feelings through expressive movement and enables them to express themselves through movement emotionally and imaginatively.

The children will work individually, in pairs and also in small groups depending on the task.

Each class has a theme or themes through which the Dance will be developed:

YR - Stars in space

Icicles + Winter

Mr Jolly + Mr Strong

Angry elephants

Y1 - Streamers
