

YEAR 6

Autumn Term Plan

Welcome back! It has been lovely to watch the new Year 6s settle in over the last few days – they are a fantastic bunch! They have bags of enthusiasm and are so looking forward to their new responsibilities; I'm looking forward to seeing all that they will achieve this year. Below is a quick overview of the work we will be covering this term.

I am keen to keep in contact with you all and answer any queries you may have. Therefore, if you have any questions or concerns then please email into the office and request a telephone call or meeting. I will then contact you as soon as possible.

Many thanks,

Ms Elsbury
